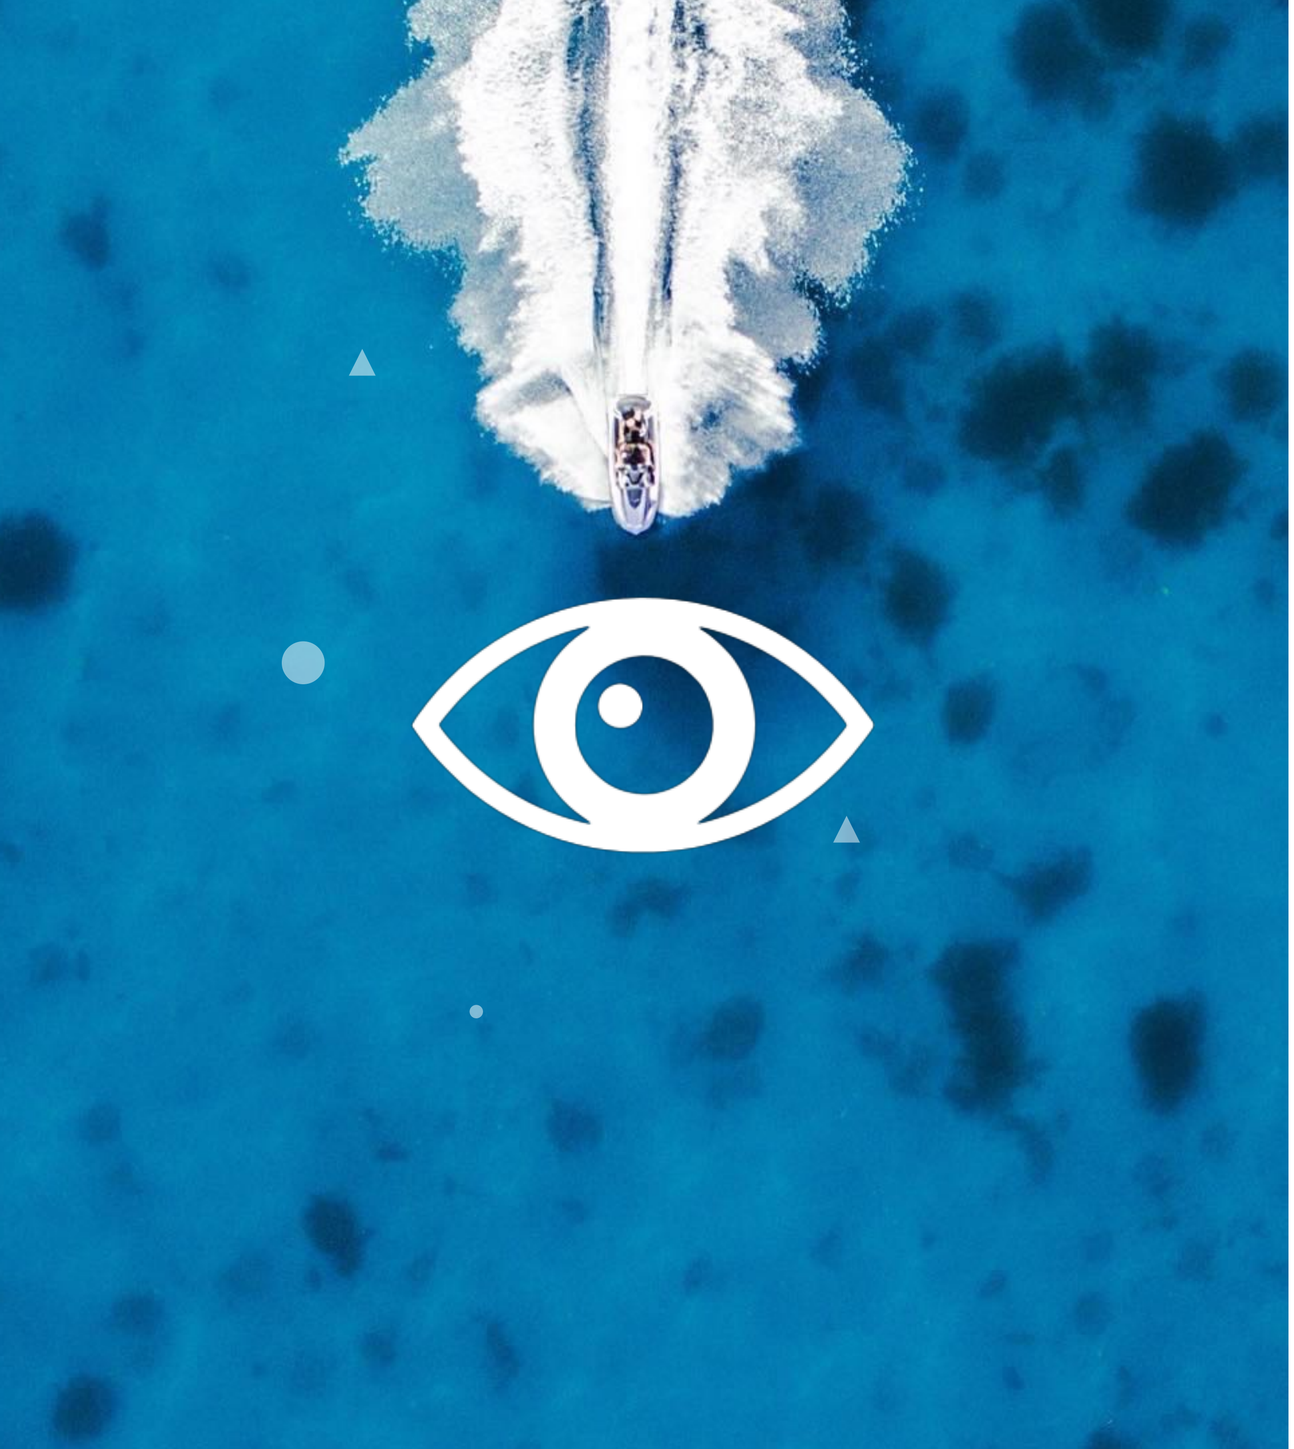
Sustainable Travel Tech Company



To pioneer forward-looking business models advancing the vision of an industry wide transformation: sustainable travel for the world.

3 Reasons

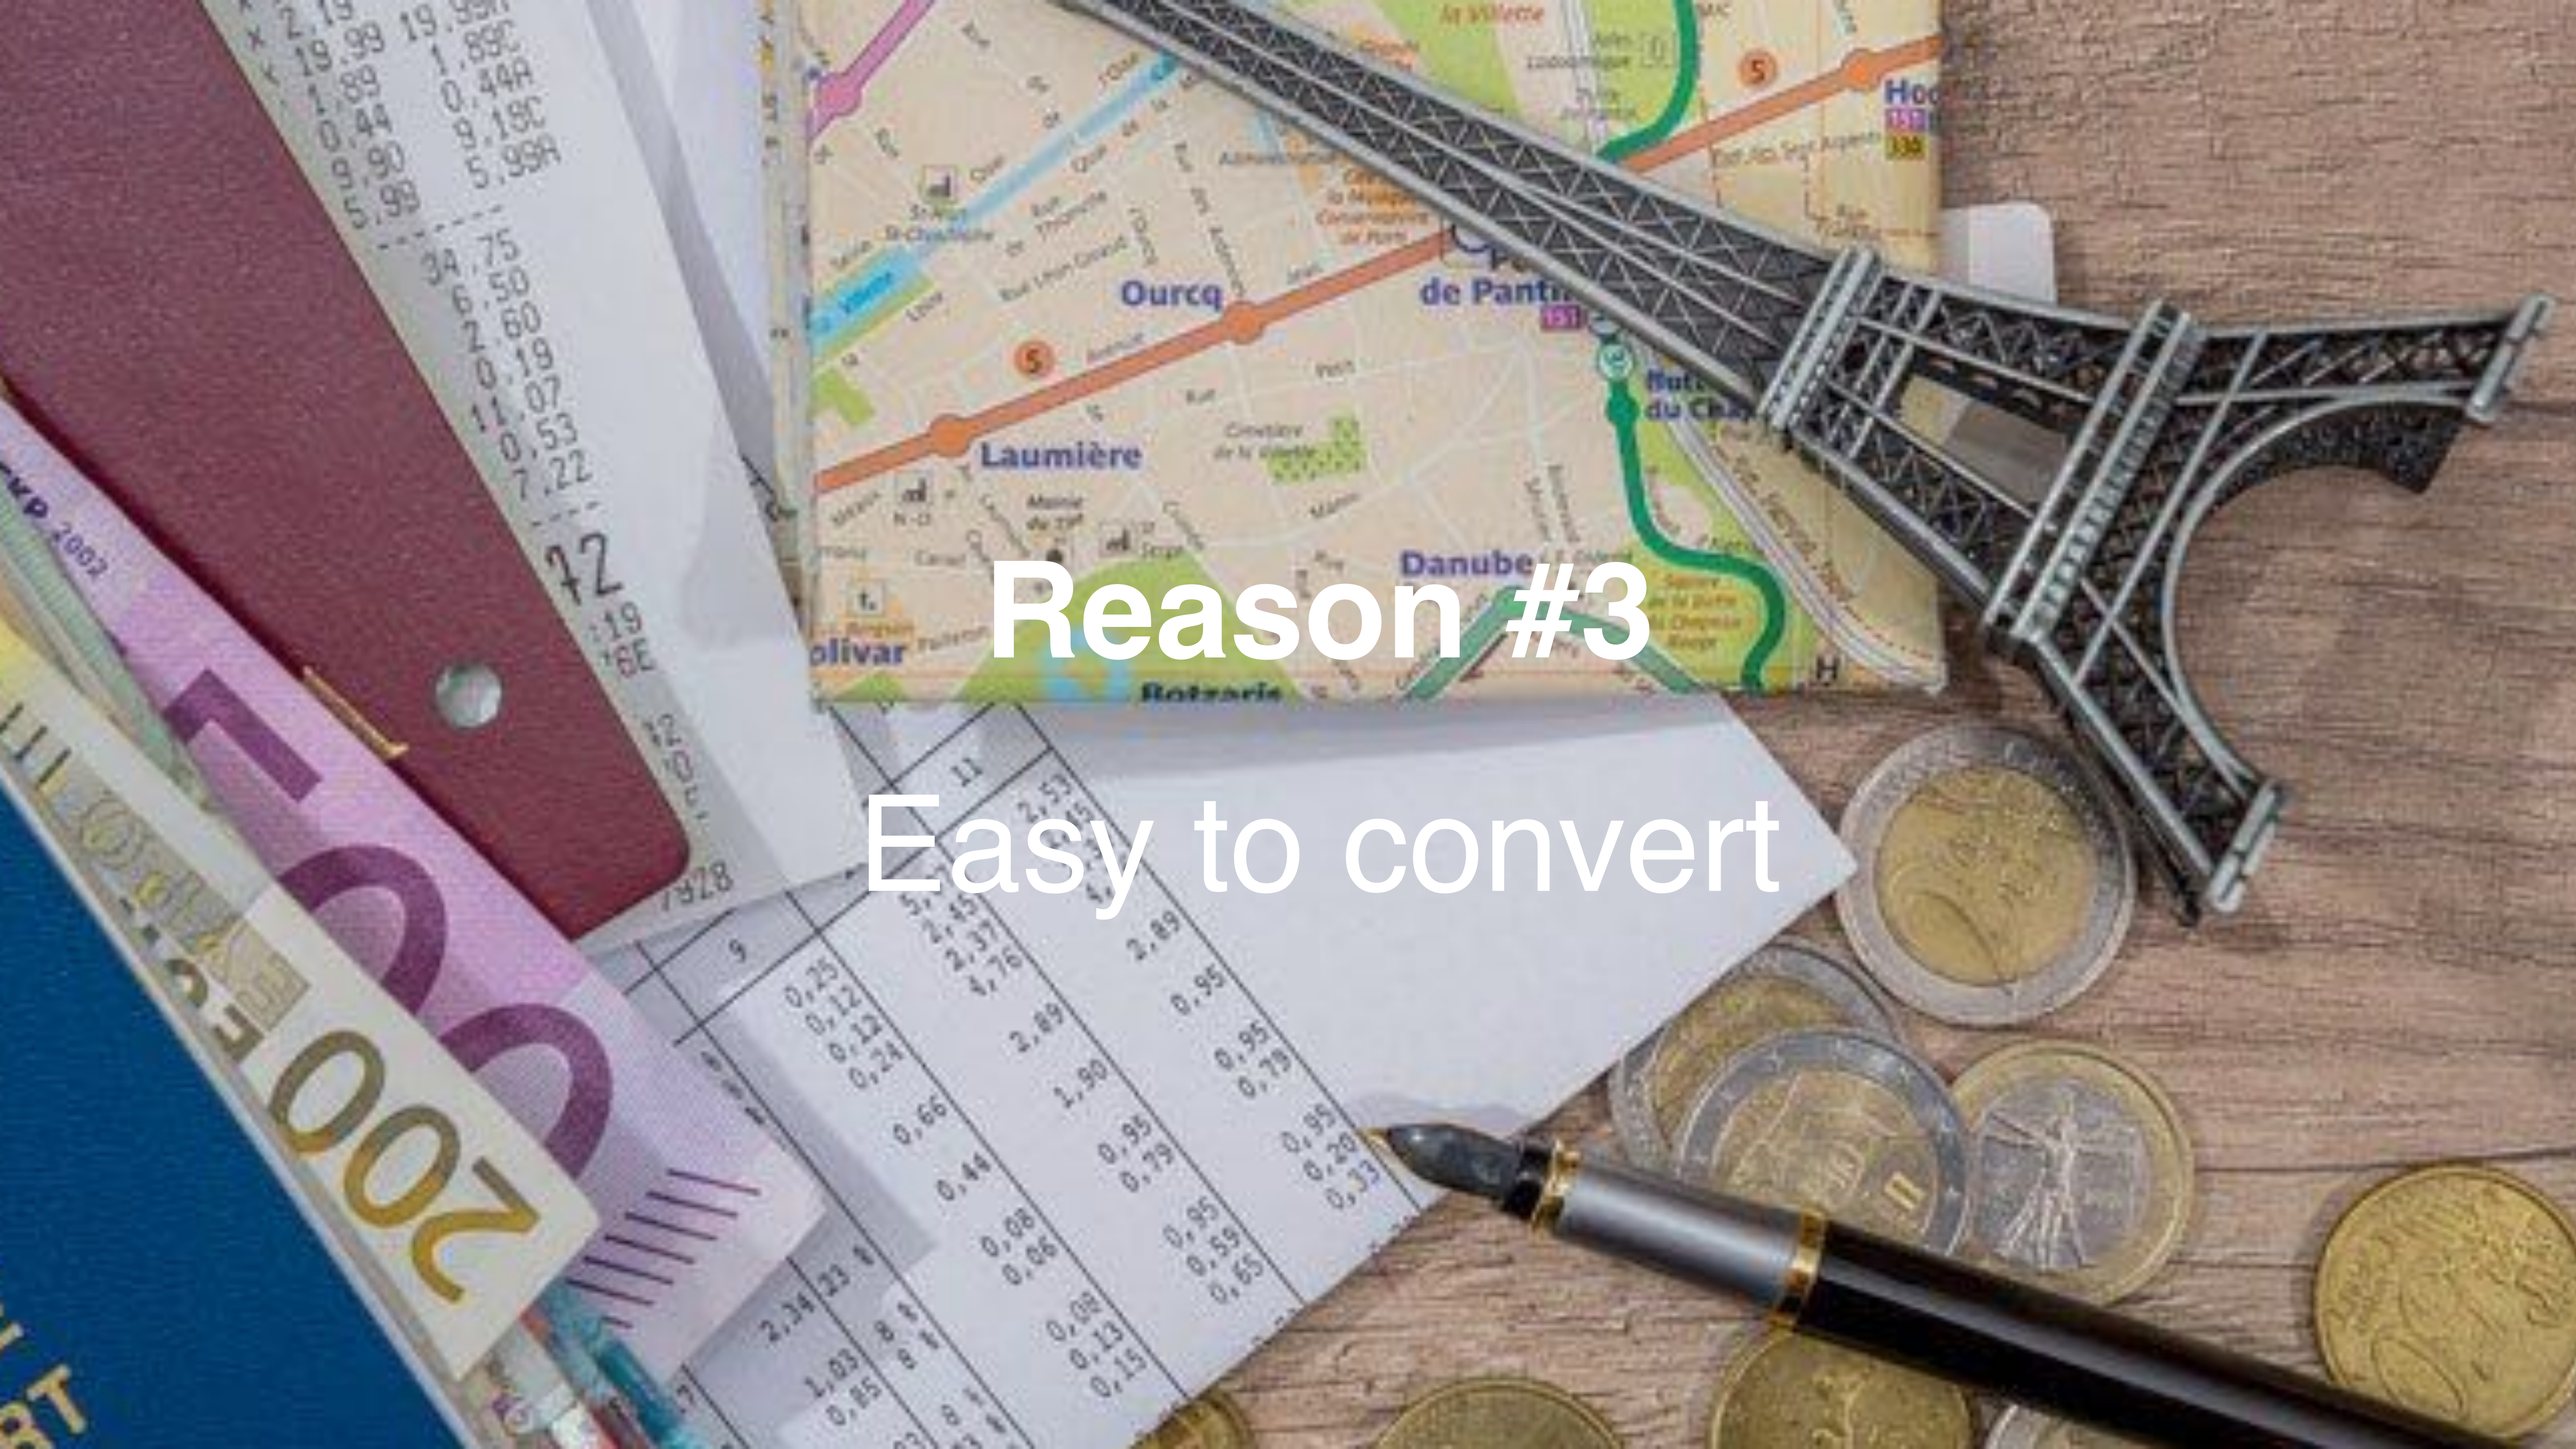
why Travel is the right industry
for **blockchain adoption**

Reason #1

Travel is the 4th biggest industry in the world

Reason #2

There are 1.2b travelers last year



Reason #3
Easy to convert

Our Solution

- Remove paperwork via smart-contract
- We will know who would travel to WHERE AND WHEN?
- We can reduce the ADVERTISING FEE almost zero

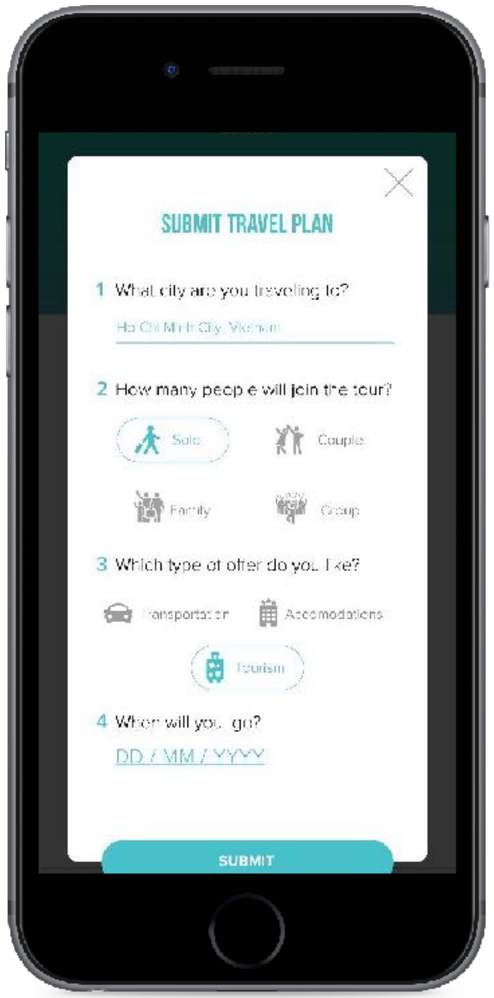
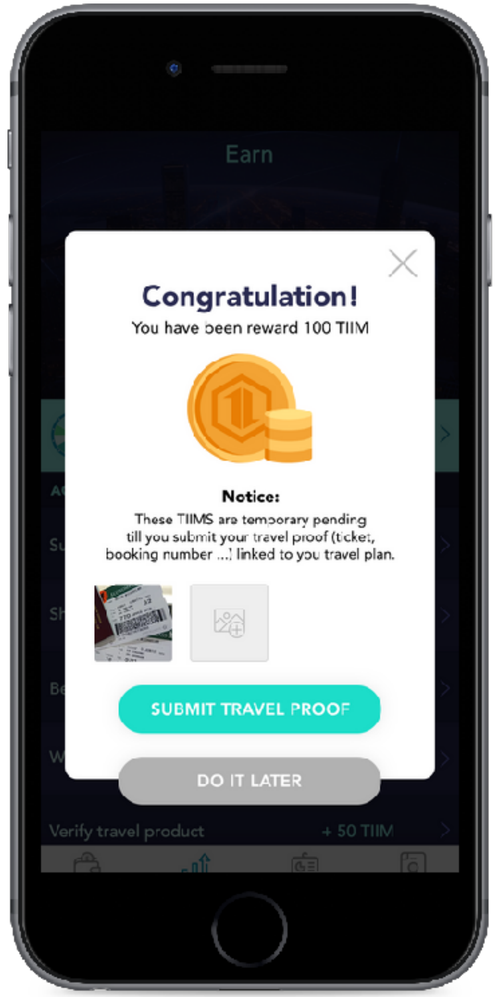
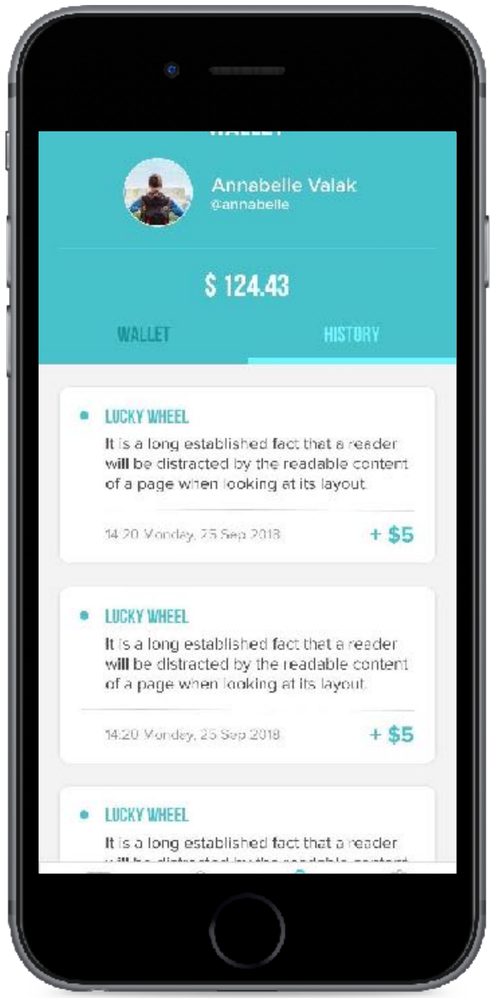
Tour Operator A will pay dividends monthly
to all investors across 100 countries
at the end of each month

TRIIP PROTOCOL TRAVELERS APP







Triip Protocol data is public verifiability, which is enabled by integrity and transparency

- Every user can be sure that the data they are retrieving is uncorrupted and unaltered since the moment it was recorded.
- Every user can verify how Triip Protocol has been appended over timed.
